3 Bedroom, 2.00 Bathroom, 1,622 sqft
Residential on 2 Acres

Dodler, Haiku, Hawaii

A delightful 3 bedroom, 2 bathroom, contemporary plantation style home that delivers a fresh, modern feeling to Haiku living. Quality built just 3 years ago by a professional woodworker/contractor, with the idea of minimum home maintenance & sustainability in mind, this home still feels like new. The thoughtful design has created a spacious and functional residence, featuring 9-12 foot vaulted ceilings, clean white walls, concrete countertops and rustic T&G flooring. The large double hung windows allow for trade wind breezes and natural light to fill the rooms. The open plan living, dining and kitchen areas are an inviting space located in the center of the home. French doors lead you onto the covered 400 square foot lanai, sheltered from the elements, and connect your indoor / outdoor living spaces. The 16x16 master bedroom on the east side of the home enjoys a peekaboo ocean view, a walk-in closet, a large en suite bathroom with soaking tub and standing shower. The second and third bedrooms are cleverly located on the west side of the house, allowing for more privacy, and share a bathroom which also houses a stackable washer/dryer unit. The home sits on post and pier but offers an extensive, lockable, walled in storage space under the house - big enough to accommodate all the toys; from surfboards to bikes, home tools and more. There is also room to build a detached garage at the end of the driveway, should it be desired. This 0.5 acre CPR area enjoys manicured lawns, and a

blank canvas to landscape as you desire. Garden views and surrounding homes of similar construction complete this small community of well designed residential condominium homes with NO HOA fees. An ideal Haiku location â€¦. Just a few minutes walk from Pauwela Cannery & stores, close to Haiku town and a 20 minute drive from Kahului Airport; Hookipa Beach is less than 10 minutes away!
