Residential on 2 Acres

Hui Kuai O Peahi, Haiku, HI

Easily accessible on one of Haiku's most desirable paved streets, here is the unique combination of ultimate privacy, personality, and meticulous attention to detail. Gated and fully fenced, the entire property has undergone a massive overhaul these past few years, culminating in an exquisite tropical estate. Fresh landscaping with vibrant ornamentals echo the home's playful interior palette full of custom lighting installations from Maui's own Makai Glass. A one-of-a-kind spiral staircase from Nick Fournier is the centerpiece of the home linking the downstairs living spaces with the brand new chef's kitchen featuring custom ohia cabinetry and Kesseboehmer storage. Designed with entertaining in mind, there's a dumbwaiter for groceries, butler's pantry, multiple wet bars, and seamless indoor-outdoor flow to the 1600+ square feet of covered wrap-around lanai space with peek-a-boo ocean views. For further recreation one can enjoy the bountiful citrus orchard and meditation gardens, a saline pool and hot tub, and a home theater/workout room equipped with surround sound. All bedrooms have en-suite baths and there's an extensive list of furnishings included with the sale. The property is powered by a 52-panel photovoltaic system as well as a whole-house backup generator. Vaulted ceilings, split-system Fujitsu AC units throughout, and Levolor shades help keep the home cool. Smart Home features include an extensive alarm and camera system with

remote monitoring. This self-sustaining retreat is truly a private sanctuary.
