Residential on 0 Acres

Haiku Road Subdivision, Haiku, HI

You will love this peaceful and very private plantation style home located at the back of the cul-de-sac. The front gate opens up into two different parking areas for extra vehicles or even a boat. Stamped driveway and pads add a touch of luxury. Home is surrounded by fences and shrubs. This large lot allows more living space to be added, if needed. As you enter the home you are greeted with a spacious open concept. The engineered wood flooring adds to easy-care living. A newer roof, dishwasher, garbage disposal and washer/dryer, and central A.C., dehumidifier and air purification system, added in 2023, are all but a few of the many, many upgrades to the property. Seller is only the 2nd owner since home was built and pride of ownership is evident throughout. There is no "For Sale" sign on property, so please make an appointment with your favorite REALTOR to show this gem.
