Fabulous new price! Charming Home with Spacious Property Near Puna Kai Shopping and Pahoa Town  
Located just down the road from the Puna Kai shopping center and the heart of Pahoa town, this well-maintained home has been cherished by its original owner. Offering a comfortable living space of approximately 2,484 sq ft, this home features three bedrooms upstairs and one downstairs, providing ample room for your family. Situated on a generous 3.76-acre lot, the property is zoned A-1 acre, with potential to build two additional homes (please verify with the planning and water departments).  
Recent updates have refreshed the home, including both interior and exterior painting, new kitchen and bathroom flooring, a new toilet upstairs, new screens, and the removal of trees around the house. The roof was replaced around 2000 and has recently been repainted for added durability.  
The property has been professionally surveyed, with visible pins marking the boundaries. A map is available upon request. Additionally, the home is scheduled for fumigation. The house was recently fumigated and comes with a three-year warranty from Bowman Pest Control, valid until May 30, 2028. See the addenda section for details. The cesspool location was also verified.
