Amazing opportunity to own 3 acres in Hawaiian Ocean View Ranchos! This property is located at the top of the subdivision and not far from the entrance. At one time, a portion of this property was cleared and being prepped to build on. Rock walls can be seen from the road and as you walk onto the property. There is also a raised area for a possible house pad and potential distant ocean views.

No neighbors are located on any side so great for privacy and a bit of quiet! If you are wanting to expand your lot size, the property next door is for sale too!
