Land on 1.00 Acres

HAWAIIAN PARADISE PARK, Keaau, HI

There is only one section of Paradise Park where you can own an acre this close to the ocean. You can only find a lot like this on 1 section of 1st Ave. between Paradise Dr. and Makuu Dr. Of course these lots go for more money.
This improved 1 acre lot has a home across the street. In front of that home is the blue Pacific ocean. This lot has a driveway with a completed locking garage. And also a plastic 2500 gallon water tank. It is partially fenced with a gate and has various fruit trees. There are a few different house sights with ocean view potential. Nice homes are in the area. Terms are possible.
