\$169,000

1 Bedroom, 1.00 Bathroom, 504 sqft

Residential on 1.87 Acres

HAWAIIAN ACRES, Mountain View, HI

Whimsical off grid home in the lush Hawaiian acres Subdivision. This home has approximately 500 sqft of living area located on the second story and sits on a nearly 2 acer lot. Looking for the right buyer to give this place the TLC it needs!
The first floor is a garage currently being used as a storage room, plenty of room for 2 cars once cleared out! The washer/dryer and 48v solar system (batteries need replacing) can be found down here, as well as a large pressure tank. Additional storage room can be found in the back of garage !

Upstairs there is a reasonably sized living room + kitchen area that has recently been updated with maple cabinets and granite counter tops. This home features 1 bedroom , a cutesy tile bathroom with sizable jacuzzi tub + 2 head shower. Large windows all throughout letting in tons of natural light. There is also a lanai where you can sip your morning coffee and enjoy the view!

Back outside there are multiple different outbuildings including a smokehouse, generator house, pumphouse (additional pressure tanks located here), and greenhouse. There's also a small animal pen that could be used by future buyer for whatever they desire. downstairs also features an additional shower (outdoor) + 2 more storage rooms accessed from the outside of the home.

Home will definitely need some work, but will be perfect for someone looking to finish it out the way they'd prefer! Approximately 45/1hr away from hilo which has tons of dining,

entertainment, shopping , and beach options!

-All items besides a few things will be going with seller
