Land on 6.33 Acres

N/A, Pahoa, HI

Off-grid but not far from the beaten path, experience the serenity and calm of Kalapana on this 6+ acre parcel. Native 'ohia lehua trees have re-established themselves in the cracks of decades-old lava flows of Kilauea volcano that skirt the street front of the lot. From this lava plane, there are ocean and horizon views from ground level. Old-growth coconut and mango trees thrive above the dense underbrush. No access to electricity, water or sewer connections. Bring your individual power supply - whether wind, solar, or gas generator; harness the rain with a water catchment system and tank. The property lies in Lava Hazard Zone 2 and Flood Zone X.
