Residential on 16.14 Acres

KOLO - OPIHIHALE 2ND, Captain Cook, HI

Experience ultimate privacy and rural island living on this 16-acre estate in South Kona. A gated entrance leads you down a private concrete driveway to an updated 3-bedroom, 3.5-bathroom home discreetly nestled near the center of the property. The house is positioned to take full advantage of breathtaking ocean views across the lower

acreage.

Inside, you'll find vaulted open-beam ceilings throughout, with each bedroom offering its own en-suite bathroom including the primary suite with a jetted tub and separate shower. The home has been freshly painted, features new luxury vinyl tile flooring, and new stainless steel kitchen appliances, a brand-new metal roof and seamless gutters, two water catchment tanks (8,000 and 12,000 gallons) with ultraviolet filtration, and a septic wastewater system. A rebuilt lanai with durable decking and a glass railing system faces west, providing breathtaking nightly sunsets.

The property includes approximately 13 acres of fenced, usable pastureland and nearly 3 acres of untouched native ohia forest. Mature producing trees such as avocado, macadamia nut, mango, jackfruit and guava are already established. Supporting structures include a 20-foot by 12-foot feed cover, lava rock wall and a 1,152 square foot parking and storage shed. The gently sloping terrain includes multiple potential building sites, many with expansive horizon, ocean and coastal views.

Imagine yourself drinking your

morning coffee on your lanai, taking in the endless horizon, and gazing out over your newly planted coffee trees. Exercise or stroll with your pet down a 500-foot plus private path/driveway. From the lush greenery and fertile soil to the quiet sunsets and star-filled nights, live the dream on your own slice of paradise.
