MILOLII BEACH LOTS SUBDIVISION,  
Captain Cook, HI

The Last Hawaiian Fishing Village. Milolii is an ongoing experience of Old Hawaii. Smaller beaches. Protected waters. Fewer people. Slower pace. Colorful sunsets. Lots of aloha. Not another city or town in sight. Just steps to the waves of the Pacific Ocean. There is no other place in Hawaii like it. What better place to build your home? Private, well maintained roads make access from the highway a breeze. The towns of Ocean View and Naalehu are a few miles to the south. Captain Cook and Kealahuekua are a little further north. Kailua-Kona is only a little further. This parcel is the perfect start to the home you intend: fruit trees and storage are already in place. A bathroom and septic system have also been installed. There are even a couple of catchment tanks in place to collect and store rainwater. It's time to get started.
