HAWAIIAN ACRES, Mountain View, HI

Three acres of native rainforest ready for your personal creation! About 2 of the 3 acres was cleared, ripped, and rolled years ago, saving you thousands. Please see addenda for seller's disclosure with map and details.

Quiet area with grid and off grid options--best of both worlds. With water free from the sky, and fiber optic high internet speeds, this is a perfect opportunity for remote work AND self-sustainability.

Elevation is about 1100 ft., perfect to grow almost anything--food, tropicals, and flowers. A bit cooler than lower elevations, there is relief on warm summer days yet still warm enough in winter. Rainfall is about 120", so no need for irrigation with open crops.

Catchment water is free, collected from the sky. Ideal conditions for so many things ...

Hawaiian Acres is located about midway between Hilo and Pahoa, and a County road provides paved access to both. Enjoy local and water activities, which will soon include the newly re-built Pohoiki Boat Ramp and park. Easy access to Hilo provides access to all Hilo amenities and services as well as access to Hamakua and Kona.
