PAPAALOA ACRES, Papaaloa, HI

Expansive Ocean View Estate on 10 Acres in Papaaloa Country

Nestled along the lush Hamakua Coast, Papaaloa blends old HawaiË»i charm with nature's lure. Rolling pastures stretch toward the deep blue Pacific and life here moves at a gentler pace, with ocean sunrises and misty mountain afternoons.

The main residence and outbuildings are positioned thoughtfully in the center of the parcel with mature windbreak trees offering privacy. Cattle graze the fully fenced and gated property. Driveway is graded and backfilled.

Living area is approximately 1,760 square feet and features 2 bedrooms, 2 bathrooms, a large living area, kitchen, multiple storage nooks, and additional flex spaces. Just off the main house, accessed by a covered walkway, is a large recreational pavilion (approx. 24' x 44') with a half bath and kitchenette. It offers the perfect venue for gatherings, workshops, or studio space. In addition, there are other outbuildings that invite creativity.
