VOLCANO GOLF & COUNTRY CLUB V,
Volcano, HI

You have GOT to see this stunning cedar home nestled on the slopes of Mauna Loa in the desirable Volcano Golf & Country Club Estates! Thoughtfully crafted with high-quality materials shipped in from the Pacific Northwest, this home reflects the care and dedication of its owners, who poured their own time and effort into its beautiful finishes and meticulous upkeep.

This fully fenced, two-story home offers an inviting open-concept layout that seamlessly connects the kitchen, dining, and living areas—ideal for entertaining. A real wood-burning fireplace in the living room adds a warm, cozy touch on those crisp Volcano evenings. On the first floor, you’ll find a guest bedroom, full bath, and laundry room, while the spacious primary en suite occupies the second floor, offering added privacy and comfort. The landscaped yard includes a variety of fruit trees—Tahitian lime, lemon, red and green apples, and even a Volcano plum tree. The back yard provides ample space for gardening or hobbies, along with a matching cedar shed (nearly 200 square feet) for extra storage.

And don’t overlook the garage—intentionally finished to reflect the

home’s signature cedar design, creating a seamless and elevated aesthetic inside and out.

Finally, rest easy knowing this home is ready for anything. While fully wired with HELCO electricity, it also includes a dual electrical panel, allowing for quick and easy generator hookup in the event of a power outage. You'll stay comfortable and connected, no matter what.
