0 Bedroom, 0.00 Bathroom,
Land on 0.54 Acres

HAWAIIAN PARADISE PARK, Keaau, HI

Discover the rare opportunity to own land in the coveted Kaloli Point area of Hawaiian Paradise Park. This is one of two side-by-side lots that are being offered individually—or together for a savvy buyer looking to create a large estate or build two custom homes (see MLS# 721518 or refer to TMK: 3-1-5-58-13 for information about the other lot). Each parcel has been partially cleared, showcasing vibrant native Hawaiian flora while preserving privacy and the natural beauty of the landscape.

Located just minutes from the cliffs of Kaloli Point, these properties are steeped in cultural and historical significance—from nearby ancient Hawaiian heiau dedicated to the god Lono, to the historic Puna Trail once used by early Hawaiians, ranchers, and even U.S. military during WWII. Once part of the historic Shipman Ranch, this land offers a rare blend of spiritual heritage, agricultural history, and coastal serenity. With thoughtful design, a two-story home would likely capture sweeping ocean views, allowing you to wake up to sunrises over the Pacific and the sounds of the sea. Located in Lava Zone 3 and accessible via paved roads, this area combines peaceful seclusion with modern access—only a short drive from Hilo and essential amenities. With the four corners of each lot already clearly marked, it's easy to build your vision here in a quiet, coastal community that values preservation, privacy, and connection to the land. Whether

you're looking for a personal sanctuary or a unique investment opportunity, Kaloli Point offers a truly special place to plant roots.
