Land on 0.95 Acres

HAWAIIAN PARADISE PARK, Keaau, HI

A rare find! Approximately a 1-acre lot between Beach Road and 1st Road. The lot is located directly across the street from an Ocean lot with tropical breezes and sunny blue Pacific Ocean views. It's fairly level with a gentle uphill slope at the back. Additionally, the back of the lot can be accessed via 1st Road, which offers the option of double access to build a possible separate Ohana unit or Garage/workshop in the back.

Plant all your tropical fruits. The homes on the street exude pride of ownership, featuring colorful landscaping and a distinctly Hawaiian ambience. Take morning walks on Beach Road, watch the sunrise, smell the ocean, and hear the waves.

This lot is in a Special Management Area. The county maintains all the corridors for which is a plus.

The vacant lot across the street is private property. When viewing the MLS listing, please do not enter the open front gate into the lot. Owners warn that they are doing construction to their home next door. Thank you for your consideration.

Build your dream home. There is also a permitted HPM set of house plans.
