HOVE, Ocean View, HI

A rare offering of three contiguous lots in the upper portions of Hawaiian Ocean View Estates may be just what you are looking for - a living experience few other places in the world can offer. Three one acre parcels, ideal climate, native vegetation, lava rock formations, expansive views, well paved roads, few neighbors, little traffic, and remarkably well priced. The options available when owning three side-by-side-by-side lots is amazing: primary residence, guest quarters, rental units, a family compound - and that's just to name a few. The town of Ocean View has shopping and basic services. Further up the highway, every convenience imaginable can be found in Kailua-Kona. The natural attractions in the area are amazing: Kae Lae (South Point - the southernmost point in the United States), Volcanoes National Park, numerous beach parks... and the world famous Punaluu Bakery.
