HOVE, Ocean View, HI

Side-by-side lots in the upper portions of Hawaiian Ocean View Estates is that rare opportunity few other places in the world can offer. Two one acre parcels (one of them is a corner lot), ideal climate, native vegetation, lava rock formations, expansive views, well paved roads, few neighbors, little traffic, and remarkably well priced. The possibilities available when owning two side-by-side lots are amazing: primary residence, guest quarters, rental units, a family compound, and so many more options. The town of Ocean View has shopping and basic services. Further up the highway, every convenience imaginable can be found in Kailua-Kona (beaches, cafes, restaurants, government services, etc.). The natural attractions in the area are amazing: Kae Lae (South Point - the southernmost point in the United States), Volcanoes National Park, numerous beach parks, including the green sand beach... and the world famous Punaluu Bakery where sweetbread and malasadas are waiting for you.
