KALAPANA SEA VIEW ESTATES, Pahoa, HI

GREAT PRICE
This super cute 864 sqft Hawaiian Style 2 bedroom, 1 bathroom home tucked into a tropical property at just the right angle to catch the trade wind breezes East Hawaii is famous for. From the paved road, go up the driveway to the home set towards the back of a easy to maintain lot. Seaview has wonderful weather. There is plenty of rain and sun to grow just about anything.
Stairs lead to the covered front lanai and the home's entrance. Facing East, it catches the trade winds and is large enough for a table, chairs, a BBQ and more. Just inside the front door is a custom inlay tile mosaic of a Honu (turtle). The cozy living room and dining area are upfront with plenty of windows allowing for plenty of sunlight light and breezes. The roomy kitchen with plenty of cupboard space and solid granite counter tops is to one side while the two good sized bedrooms are on the other side of the home. There is a full sized bathroom at the back of the home where an indoor washer is also located. With a little TLC this house and property will shine!
A great outdoor shower is out the back door. The home has a newer, quality water filtration system. Good solid bamboo flooring is throughout the bedrooms in the home with ceramic tile in the kitchen living areas and bathroom.
There is covered parking -large enough to hold a large truck. There are fruit producing trees and ornamental planting throughout the yard. Nice rock planters throughout and a small pond in the

back yard! Under the home is plenty of space for your storage.
Seaview has high speed internet available, several community parks and the ocean is just a short walk away. Enjoy the beautiful blue Pacific Ocean at Kehena black sand beach. Watch the sunrise, the dolphins play and spot the occasional whale!
A great property, in a great location at a great price. One not to miss!!
