COFFEE FARM LOTS, Captain Cook, HI

This South Kona property offers an incredible opportunity for sophisticated country living, complete with ocean view. Situated on over 1.6 acres of fee simple, fully fenced land in the heart of the Kona coffee belt, this lot boasts over 200 meticulously grafted coffee trees in well-spaced, irrigated rows, alongside an abundance of diverse fruit trees. The land has been thoughtfully cleared, is mowable, and features nitrogen producing ground cover for ease of maintenance.

The residence itself is a country charmer, showcasing extensive renovations and thoughtful updates throughout. You'll immediately notice the tile and engineered wood floors that flow into a beautifully appointed kitchen. This culinary space is a chef's delight, featuring quartz countertops, a substantial 45" sink and a 6-burner Wolf cook-top. The roof was replaced in 2014.

Got stuff? There is an abundance of under building storage, much of it with concrete floors. There is also an additional washer/dryer hookup.

Located near the Kealahou Ranch Center, this larger acreage parcel offers the perfect blend of a serene country feel with the convenience of being just seconds away from restaurants, shopping, and essential goods and services. This is truly a rare find,
