KALAPANA SEA VIEW ESTATES, Pahoa, HI

Kalapana Seaview Estates is one of the first places to see the sunrise in Hawaii. And what a beautiful place to start the day. Consistent, gentle ocean breezes along the coast make Seaview an exceptionally comfortable place to live and play all year round. The blue Pacific Ocean and rainforests of Lower Puna are more of the same natural Hawaii beauty that are all around the neighborhood. Lot 98 is the last parcel at the very end of the road - beyond which is 125 acres of State of Hawaii forest land. Tropical grasses and a few trees cover the property. Peace and quiet are everywhere. Easily accessible via well paved and maintained roads. The famous Kehena Black Sand Beach is nearby. The village of Kalapana is a few miles down the road, where you will find Uncle Robert's Awa Bar and Market. Pahoa town is about ten minutes further up the highway (Puna Kai Shopping Center, post office, urgent care, cafes, and restaurants) with a historic old Hawaii feel to it.

Nearby Hilo town has every modern convenience: Benioff Hilo Medical Center, University of Hawaii Hilo, and the Hilo International Airport. This is the perfect place for your Hawaii retreat.
