WAIKOLOA BEACH RESORT, Waikoloa, HI

Halii Kai 4G is the largest 3 bedroom, 3 bath townhome in this oceanfront community, with 1,677 interior square feet. This two story residence has high ceilings, broad interior space, and bedrooms split between floors for privacy and comfort. The kitchen is oversized for this market, with granite counters, stainless appliances, custom wood cabinetry, and more storage and workspace than most resort units in the area. It was built to function whether for hosting guests or daily use. Both lanais face the golf course and offer partial ocean and mountain views. 4G includes a private garage with additional storage for beach gear and recreational equipment.

Owners receive full access to the Halii Kai Ocean Club, an oceanfront amenity center with a cascading lagoon pool, sandy bottom lava rock spa, children's wading pool, ocean view fitness cabana, and a covered pavilion with a full kitchen and grill area by the pool. The bar and grill is open only to owners and guests, with chef prepared menus and poolside service. Additional amenities include tennis, basketball, and pickleball courts, multiple barbecue areas, and direct access to the coastal trail. Waikoloa Beach Resort features two championship golf courses, restaurants, shopping, a luxury cinema, and a protected sandy beach all within minutes.

This is a large, comfortable, well designed residence offering full access to resort level amenities in a true oceanfront setting.
