A Private Sanctuary on the KaË»Å« Coastline-
This one-of-a-kind compound was designed to dissolve the line between luxury and nature.
Nestled along the iconic Hawaii Belt Road, this oceanfront estate spans 47.5 acres of pristine conservation land â€” a rare blend of contemporary Hawaiian design and immersive natural beauty. Here, indoor-outdoor living unfolds effortlessly, and privacy is the ultimate luxury.
Framed by uninterrupted ocean vistas and surrounded by native flora, the property is accessed through a private gated entry. A lush courtyard with tropical gardens and a cascading waterfall sets the tone for the retreat experience that lies beyond.
A grand, open-air pavilion supported by hand-carved Nepalese columns invites ocean breezes and elevated gatherings
Inside the main residence, two ocean-facing bedrooms and three spa-like bathrooms offer calm, comfort, and privacy. The gourmet kitchen â€” finished with rich mango wood cabinetry and retractable bi-fold windows â€” opens fully to the lanai for effortless entertaining and al fresco dining. In the living room, pocketing glass doors erase boundaries, revealing a tranquil courtyard and sea breezes.
The detached guest house is equally refined, with a spacious upper-level den (perfect as a fourth bedroom) and a lower-level suite offering seclusion and sweeping ocean vistas.
This offering also includes a neighboring 1.93-acre parcel

(TMK 3-9-5-16-41), presenting opportunities for expanded privacy or future vision.

Designed for those who move differently. Created for those who seek stillness, freedom, and inspiration.

This is more than a home. Itâ€™s a return to presence â€” a place to breathe, reflect, and reconnect.
