DDKM Inc. Farm â€” A Hand-Built Legacy of Aloha in East Hawaiâ€™i<br><br>Welcome to DDKM Inc. Farm, a one-of-a-kind, off-grid regenerative farm lovingly built from the ground up with purpose and aloha. Nestled on 9.16 fertile acres in Kurtistown, this turnkey homestead blends sustainability, functionality, and soul. Every fence post, fruit tree, and structure was placed with care, the result of six years of vision and dedication.<br><br>The land is aliveâ€”nurtured by heritage cattle, goats, and chickens, and maintained naturally without chemicals. A robust off-grid infrastructure supports the lifestyle: two solar power systems, over 4,600 gallons of rain catchment with UV filtration, permitted septic, high-speed fiber internet, and water meter installed. The permitted house pad includes approved plans for a 3-bed, 2-bath, 1,536 sq. ft. home with garage and lanai, and has been prepped with \$20K in grading and gravel work.

<br>Septic is in and plans have been approved for an Owner Build.<br><br>Live comfortably while you build in the off-grid cabin with upgraded outdoor bath and kitchen systems. 9 thriving herdshare, rare A2/A2 Dutch Belted cattle, fruiting orchards, bamboo groves, and commercial refrigeration support year-round production. Everything is in placeâ€”from tools and fencing to deep freezers and a milking stanchionâ€”for you to step in and live the life.<br><br>This is more than a farm. Itâ€™s a working legacy, grounded in stewardship and built for

resilience. The stars shine brighter here, the food tastes richer, and the lifestyle is free by design.
