Land on 51.89 Acres

PUUA - KAPOHO, Pahoa, HI

This nearly 52-acre rectangular parcel offers a rare opportunity to own land shaped by nature. Approximately 35 acres of the property were covered by lava during the 2018 eruption, creating a one-of-a-kind landscape that tells a powerful story of transformation. The remaining back portion features an isolated wooded area visible from the roadside.

Located off Pahoa-Kapoho Road, this property offers access to the lava covered area. Please note that overhead electricity and county water meters are no longer available for this lot. Aerial imagery provides a view of the lava flow and overall terrain.

Just minutes from Pahoa town, you'll find convenient access to banks, grocery stores, restaurants, and shops.
