Residential on 0.30 Acres

WAIKOLOA VILLAGE, Waikoloa, HI

Hidden from the road by mature landscaping (terraced lava rock walls, citrus, papaya, palms, hibiscus, ti, bananas, bird-of-paradise, and more), this architectural gem is waiting to be discovered. Interior living space is a generous (+/-) 2,225 sf. The under-roof space, including the screened porch and garage, is an impressive (+/-) 2,274 sf. High ceilings and huge picture windows frame some of the most amazing views in the Village: towering mountains, vast ocean and harbor views, and the most vibrant sunsets. The home itself is like no other in the Village, with multiple indoor and outdoor entertaining areas.

The upper floor hosts most of the primary living functions: two bedrooms, two bathrooms, and an eat-in kitchen overlooking the open living, dining, and lanai spaces a few feet below—open concept living at its finest. The front bedroom features a sliding partition wall that opens into the living area. The screened lanai extends the interior space, allowing light and air to flow in from the patio—a wonderful setting for outdoor dining with a bartop view of Kawaihae Harbor and North Kohala.

The lower level (two additional bedrooms, a bathroom, and outdoor laundry) offers direct access to the backyard, garage, and driveway. This layout allows for privacy and flexibility: the upper bedrooms are at opposite ends of the home, with two additional rooms below—perfect for guests, extended family, or rental use.

Living in Waikoloa Village means more than the

home: convenient shopping, dining, and top-notch recreational facilities (pool, tennis, golf, equestrian center), plus nearby resorts, beaches, and endless sunshine. Seller Financing available! The home is available fully furnished with the exception of staging and a few pieces.
