Land on 10.46 Acres

N/A, Hakalau, HI

Beautiful 10.4 acre parcel located at a cool breezy 1000-1200 foot elevation. Nice rolling grassy pasture land on the edge of Kolekole gulch. Property extends halfway into the gulch to the middle of the Kolekole stream. Ocean views and peek-a-boo view of Akaka Falls. About 10 foot down from the rim is a bench where the sugarcane flume used to be. Sugarcane road extends from mauka to makai through the center of the parcel and is a valuable source of rock for any future home foundation. This is a flag lot with a shared driveway running through fruit orchards and over a pond and running stream. Great for a self sufficient, sustainable home or retreat. Located in arguably one of the best neighborhoods on the Hamakua coast. A great community that hosts one of the best weekly farmers markets on the island. Parcel is 3 miles up Mauna Kea and 13 miles from downtown Hilo.
