Just a mile from the heart of Waimea town, this fabulous upcountry home blends classic charm with country practicality. Light-filled and airy, this beautiful home offers 3 bedrooms and 3 newly renovated baths, plus a versatile freshly upgraded recreation room (or potential 4th bedroom) with a separate entrance and wet bar—ideal for family room, game room, guests, hobbies, or home office wired for tech and electrical.

Set on a spacious oversized lot, with half fenced for paddock use, garden spaces and even to build a separate barn or work/play space, there's plenty of room for horses, goats, sheep, or simply open space to enjoy. The backyard is separately fenced—perfect for pets and smaller animals. Through the large floor-to-ceiling windows of the great room, watch the Waimea horses stroll right up to your view as you sit fireside by the double-sided lava rock remote ignite gas fireplace, complete with a custom paperbark mantle.

This home is move-in ready! Step outside to a sweet, landscaped backyard with rock walls, herb garden boxes, a deck overlooking pastures, and thoughtful plantings like ohia, magnolia, bottlebrush, fruiting guava, cherry blossom, a 50-year-old Portuguese wine grape vine, and double camellia trees.
