KONA WONDER VIEW LOTS, Kailua-Kona, HI

Former original owner was an avid, lifetime gardener. This colorful retreat features unique tropical plantings, fruit trees and much more to discover.

The house is a single wall, redwood constructed home with some upgrades over the years to the flooring and bathroom. Work is needed to reconstruct decking and catwalk. Extra storage or a workshop area can be created beneath the house as it sits high above the ground on the ocean side. The slope of the lot gives the deck a protected view of the ocean beyond.

Located at a comfortable elevation of 1450' and close to the upper highway. A convenient proximity to the airport, the ocean, Costco and more shopping.

Built in 1979
