HAWAIIAN PARADISE PARK, Keaau, HI

Build Your Island Sanctuary in Hawaiian Paradise Park

Welcome to a rare opportunity on the Big Island of Hawaiï – a one-acre parcel in Hawaiian Paradise Park, where the rhythm of the ocean and the whispers of the trade winds invite you to slow down, breathe deeply, and imagine the life you’ve always dreamed of.

This property rests along a paved road, offering both convenience and privacy, and sits just a short drive from Hilo town, where you’ll find vibrant farmers markets, boutique shops, dining, and cultural treasures. Yet, here on your own acre, you can craft a world entirely your own – a lush garden retreat, a modern island home, or a sustainable sanctuary.

Just minutes away, the Pacific Ocean greets you with salty breezes and endless horizons. Picture morning walks along the coast, evenings under star-filled skies, and the joy of living in harmony with Hawaiï’s natural beauty. With the potential to install your own well, you have the freedom to shape this land into a truly self-sufficient paradise
