HAWAIIAN PARADISE PARK, Keaau, HI

Welcome to this contemporary gem that seamlessly combines modern design with the comforts of home on one acre land, all located blocks from the ocean.

18-foot ceilings tower above the main living area, flooding the space with light. A sleek and expansive kitchen sports quartz countertops and top-of-the-line Samsung appliances, with a generous center island for entertaining guests and a dedicated formal dining space.

Ascending the stairs, youâ€™ll find a central landing connecting the bedrooms that overlooks the home, perfect for use as a reading nook or a sitting area.

The master suite opens to an expansive, dedicated deck of its own, and features a master bath with a modern deep-soaking tub, custom-tiled shower and large walk-in closet.

Two guest bedrooms sit adjacent to the landing, along with a guest bath with custom tile work of its own. The second floor bath areas are both adorned with high-end quartz counters and dual sink fixtures.

Downstairs, youâ€™ll find a dedicated office space, laundry room and additional half bath, along with a generously sized two car enclosed garage. LED lighting has been installed throughout.

The entire property is serviced by UV-filtered well water, tapping into the areaâ€™s famed aquifers that have transported well water from the mountains to the ocean for centuries.
