MAUNA LOA ESTATES, Volcano, HI

Luxury Tiny Home Off-Grid Living Minutes from Volcanoes National Park<br>Experience the ultimate blend of sustainable living and high-end comfort in this meticulously crafted tiny home. Perfect as a primary residence, downsizing solution, or a second home, this property is a self-sufficient oasis located just a five-minute drive from the entrance to Volcanoes National Park and the town of Volcano.<br>Prime Off-Grid Functionality: Live completely independently with a robust solar system (8 panels), 8 batteries, and a 13,000-gallon catchment tank with a triple-filtration system. A backup generator provides peace of mind, though the sellers haven't needed it in two years.<br>Luxury Amenities Throughout: This home is appointed with high-end features, including a full-size Jacuzzi jetted tub with a rainfall showerhead, a Rinnai on-demand propane hot water heater, and an outdoor shower.<br>Chef-Ready Kitchen: Features a full-size 5-burner Samsung propane stove and oven, a vented Samsung microwave hood, a 36-inch Samsung refrigerator, and a smart Kohler kitchen faucet. The Ruvati heavy-duty sink includes a built-in drying rack, cutting board, and colander.<br>Smart & Artisanal Design: Control the Lutron smart home electrical system with ease. The interior is adorned with beautiful, custom-crafted accents of native monkey pod and ohia wood.<br>Expansive Outdoor Living: Enjoy a newly built, well-constructed 12x24 deck with Trex decking

and black steel accents. Above it, a versatile 12x12 loft space is perfect for an artist retreat, office, or yoga studio.<br>Serene, Established Setting: The property is beautifully landscaped with lemon trees, rainbow eucalyptus, and flowering shrubs, creating a private park-like setting.<br>Built to Last: Constructed with heavy-duty, weather-resistant materials for Hawaii's climate, including Hardie siding and trim, a standing seam metal roof, and fully insulated walls.
