Experience the best of sustainable living and ranch-style charm in this remarkable two-story estate featuring 5 bedrooms, 3 bathrooms, and 2,800 sq. ft. of thoughtfully designed living space.

This property is powered by a robust 27-panel solar off-grid system with a Big Battery Rhino 28kWh setup, supported by a 20,000-gallon catchment tank and a Honda 7000 backup generator for peace of mind.
The main level offers an open concept living room, kitchen and dining space, a spacious recreation room perfect as a home office, a guest bedroom, full bath. The oversized laundry/mudroom includes a custom tiled dog-wash sink! Upstairs, a comfortable 2nd living room leads to three additional bedrooms and a full bath. The primary suite is a private retreat with a walk-in closet, and breathtaking views of rolling pastures, ocean, and coastline on clear days.
Designed for true ranch living, the land is fully fenced and includes corrals, a riding arena, 4 horse-fenced paddocks, 2 barbed-wire livestock paddocks, and even a natural lava tube pond with gold fish and tilapia. A separate pump house and storage building keep all systems organized, while a Ring camera system provides added convenience and security.
