Land on 0.46 Acres

MARK TWAIN ESTATES, Naalehu, HI

At almost 1/2 acre with a transferable permit in place for a 2 bedroom/1 bath, this is the ideal spot to build your new home! Nestled in the quaint town of Na'alehu with beautiful views and lovely weather, so much work has been completed on property. Overhead power and county water are available, the water meter has been paid for and installed with pipes laid. A septic system has been installed, and staking is complete (stakes visible). The property was cleared awhile back, and although guinea grass has regrown, it is mostly free of brush and trees. There are a couple of areas where weed mat was laid and are still clear. Ocean Horizon view may be possible when building towards the back of the parcel where elevation is higher. The lot is just the 2nd in from the main paved roads. Don't miss this opportunity to build your new home with everything put in motion for you. Property is in the Mark Twain subdivision with no CC&Rs and close to Punalu'u Black Sand Beach, Green Sands Beach, Kahuku Park and more. Na'alehu town has gas, groceries, restaurants, farmer's market, post office and school.
