4 Bedroom, 3.00 Bathroom, 2,078 sqft

Residential on 0.77 Acres

KAIEIE HOMESTEADS, Papaikou, HI

This 4-bedroom, 2.5 bath redwood home, not to mention the large room at the finished basement, which can be a storage room or a man's cave. The Aleamai Stream runs along side the north side of the property. Sets on a spacious lot of 1.02 acres and sold together with an adjacent nearly an acre of vacant lot, it offers potential for expansion, gardening, or investment.
The home features new flooring throughout, and new interior doors. Owner also refinished some of the exterior posts.
It is a showcase of timeless craftsmanship with a warm and comfortable atmosphere, ideal for family living or entertaining guests.
Surrounded by mature trees (some of them are fruit trees such as avocado, orange, and other types) and open space, this property provides both privacy and a vantage setting with peaceful views. The extra vacant lot adds unique flexibility----build a guest home, workshop, or simply enjoy the extra land as a serene buffer of green, or maybe sell it one day for an extra cash.
Conveniently located near town amenities yet offering a quiet natural retreat, this property combines the charm of redwood construction with the rare bonus of extra land and future possibilities.
