HAWAII'S EDEN ROC ESTATES, Volcano, HI

On a paved road in Hawaii's Eden Roc Estates,
awaits this gem in the rough!
With a paved parking area off Ohia Ave and a trail leading in;
there are lots of flowers, trees, palms, anthuriums, bromeliads, hibiscus, and bamboo to name a few.

Leading to a cabin that was self sufficient and livable, with a simple water catch system, outdoor shower, rough plumbing, a single bedroom, and a metal roof to stay out of the rain. It does need to be rehabbed, but it is a private shelter on an acre of land with paved road access, electricity at the road (sspp) and high speed internet.
No permits, cash sale only.
