PUAKEA BAY RANCH SUBDIVISION, Hawi,
HI

If you were any closer, youâ€™d be swimming! This rarely available, almost oceanfront 10-acre parcel delivers the kind of views people usually frame on their walls, except here, theyâ€™re real. An idyllic setting to build your forever dream home, complete with front-row seats to the annual Humpback whale show, babies are birthed in the channel, nature really goes all out!
Enjoy sweeping ocean vistas stretching to Maui, HaleakalÃ•, and the Coast Guard Station. The land offers three natural home sites and comes with thoughtful improvements: fully fenced, a water line already installed for livestock, plantings, or construction dust mitigation, and engineered access with a completed construction driveway. Taxes are currently at the AG pasture rate and you may even see some sheep.
Between you and the ocean lies only an equestrian easement and a natural park, meaning your forever views are protected from surprise structures popping up in the view plane. All located in a gated community just 5 minutes from Hawiâ€™s shops and restaurants, 45 minutes to KeÃ•hole Airport, and 15â€“25 minutes to the South Kohala resorts.
Come take a look, though fair warning, you may never want to leave.
