Residential on 3.41 Acres

WAIANAЕ, Waianae, HI

Sustainable homestead, multigenerational living—so many possibilities! Privacy down a long driveway to 2 homes on fully fenced 3.41 acres of fertile farmland. The homes are in rough condition with deferred maintenance. Besides the 2 homes, there is a large greenhouse frame, large concrete block vegetable processing building with water plumbed to it, and 2 carports. Prominently featured on the land is the producing mango orchard of around 30 trees. Also, several miscellaneous fruit trees. Fruit trees are serviced by in-ground water pipe system. Property has Ag water meter for lower water cost for agricultural use. Irrigation piping map, soil analysis and list of mango types are in supplements. Local food production is so needed and encouraged in these times. It can all be done here! Give this currently neglected homestead the love it deserves and transform it into a food forest...you'll have a great start. So much potential here! One home is vacant, the other is occupied by tenants on month to month lease. Do not drive down driveway without an appointment.
