Residential on 0.15 Acres

WILHELMINA, Honolulu, HI

Step into a hillside sanctuary where timeless 1930s California bungalow character meets modern flexibility. This three-level residence offers sweeping ocean and Diamond Head views, with sunrises that fill the home in the morning and Friday night fireworks to enjoy from your spacious lanai.

The main level welcomes you with two bedrooms, one and a half baths, a gracious living room, dining area, and a library nook. The kitchen, complete with gas stove and pantry, flows easily into the gathering spaces and out to the lanai, where ocean breezes set the tone for everyday living.

Upstairs, a studio-style retreat captures dramatic ocean views, with room for a queen bed, its own dining nook, and a full bath. On the lower level, youâ€™ll find another self-contained living area with space for a full bed, its own bath, and an eating areaâ€”perfect for extended family, guests, or a creative studio.

With nearly 3,000 square feet under roof, this home offers rare versatility for multi-generational living, rental potential, or personal retreat space such as a yoga studio. This is a home that blends history, charm, and possibilityâ€”all against the backdrop of Honoluluâ€™s most iconic views.
