FOSTER VILLAGE, Honolulu, HI

Foster Village â€” Honolulu Home with Flexible Living Options

Freshly painted exterior, this Honolulu single-family home has a 3-bedroom, 2-bath main house plus 2 additional interior spacesâ€”great for multi-generational living or overall income potential. Mid-century lines bring in plenty of natural light to the living and dining areas for a bright, welcoming feel.

An enclosed lanai adds interior space, and at the front of the property, a recreation room provides even more versatility and includes a full bath. With 1,646 sq. ft. of interior living plus these extra areas, the 6,180 sq. ft. lot still leaves room for gardening, play, and outdoor activities.

On the bus route and close to the rail, this central Oahu location makes commuting simple with quick connections to Pearl Harbor, HNL, and all major freeways. Hospitals and healthcare are also nearby. Nearby high schools include Radford High, with several public and private schools close by.

Foster Village offers quick access to shopping, dining, and Honoluluâ€™s â€œetown,â€• making this one of the neighborhoodâ€™s most versatile opportunities.
