KUALOA BEACH, Kaneohe, HI

Month to month, 6 month, or 1 year lease. This rare gem is the absolute dream location for remote workers, or anyone who wants to live on the beach but not have to deal with the crowds and busy streets of Kailua or town. Breathtaking views of the ocean, including Mokoli'i right outside your windows, and the towering Ko'olau Mountains right behind you from every corner of the property give you all of the best features of living on a neighbor island, while still being just 30 minutes away from downtown Honolulu! Situated right across the street from historic Kualoa Ranch (see the horses right across the street when they come out to graze!) and right next door to the big and beautiful Kualoa Beach Park, you'll be able to launch kayaks and SUPs (provided!) from your backyard then come back and relax in your hot tub with your favorite beverage while watching the sunset colors dazzle your senses. Every morning you can wake up to the sunrise right outside your window and make all your coworkers jealous when they see the view from your home office that looks right out to the ocean!
