WAIKIKI, Honolulu, HI

Step into Waikiki's most iconic address – the Ilikai Hotel. Unit 213 presents an opportunity to own a beautifully renovated studio in this legendary hotel, famously featured in the opening of the original Hawaii Five-O. With 448 interior square feet and a spacious 118-square-foot covered lanai, the residence feels bright and inviting, capturing city and mountain views that come alive at night. Renovated in 2016 to a luxury standard, the unit features a full kitchen and bath, modern finishes, and turn-key comfort. The Ilikai itself elevates daily life with world-class amenities: two pools, jacuzzis, lushly landscaped grounds, on-site shopping, and celebrated dining. Its unique hotel-condo structure allows for nightly rentals, either managed privately or through the hotel, offering both flexibility and strong investment potential. Designed by John Graham, Jr., the architect of Seattle's Space Needle, the Ilikai remains a symbol of timeless Hawaiian style at the gateway to Waikiki. For the out-of-state owner seeking a pied-à-terre with income potential, or the investor drawn to high-end hospitality, Unit 213 is a smart opportunity at one of Honolulu's most enduring addresses.
