Residential on 0.00 Acres

WAIKELE, Waipahu, HI

Back on market! (Previous buyer canceled due to government shutdown.) This single level ground floor 2-bed, 2-bath, 2-parking home sits on the perimeter of the project with a large yard lined with mature landscaping. Tucked in a private corner of the project overlooking the gulch, it feels open and peaceful both inside and out.

The unit has been fully remodeled with luxury vinyl plank floors, stone counters, shaker cabinets, and intentionally chosen fixtures and shelving that pull the entire design together. Parkglen at Waikele is a non-congested project in a setting that combines privacy with space...this home is a rare find at this price point.

Built in 1993
