WAIKIKI, Honolulu, HI

Imagine living in the heart of Waikiki yet feeling like you live in your own private nature park. This three-building complex is a gated community surrounded by beautiful trees, tropical plants, and lush green grass. Enjoy the heated saltwater pool next to the large covered furnished patio area taking in the cool trade winds. Within a few short steps you will find a beautiful secluded BBQ area open to all tenants for get-togethers or just to sit and relax. The Kalia is very unique as all the building floors have outdoor breezeways to access your unit. The complex is secured by walls and FOB-key for all gates, elevators, and interior stairs secured access. This particular unit has a view of the interior gardens from the living room window. It is located near the end of the breezeway limiting unnecessary foot traffic to other units. Recent installation of high-end night and day vision cameras have been installed all throughout the entire grounds; these cameras record 24 hours per day and have back up batteries for unpredicted black outs, providing continuous camera security even in these types of situations. This is a one-of-a-kind property in Waikiki.
