DIAMOND HEAD, Honolulu, HI

A Rare Diamond Head Estate with Timeless Elegance and Botanical Distinction- The legacy estate that reflects decades of thoughtful ownership and unmatched care. Lovingly maintained and meticulously upgraded, this refined residence sits on an expansive 34,157 sq ft lot and showcases an extraordinary level of craftsmanship, preservation, and pride. Honoring the property's architectural heritage while introducing modern enhancements that elevate daily living. From the custom woodwork, curated interiors, and peaceful lanais, every element exudes quality and intention. Central to the plan of the garden, which was meant to create "ocean oasis in the midst of chaos", were water features and arbors, which bring shade and structure to the garden with the addition of terraces connected by a winding path. The fountains and water features add visual beauty to the garden, as well. Tucked into the side of one of the lower hillside terraces, the path wanders up to and around a small yoga studio and guest cottage. The grounds are a living masterpiece. Breathtaking panoramic ocean and coastal views, minutes from Waikiki resort amenities, private clubs, and beautiful beaches.

Built in 1941
