Large closets for extra storage, plus the private primary bedroom featuring an en-suite bath and double closets. Just open the front door and enjoy the island breeze throughout the whole house with the convenience of large vinyl windows, or gain total control over your comfort and energy costs with five split A/C units (air conditioning in every bedroom installed in 2020) powered by a 34-panel, 3-battery Sun Run PV system (installed 2019), leased system-to-be-owned at closing. Roof replaced in 2023. Large carport and a private yard with plenty of space to play or relax, and add your own touches. The long driveway allows additional parking. Additional off-street space is also available. Your home-sweet-home is right here and waiting for your personal touches—washer and dryer hookups in the carport.
