Condo on 0.00 Acres

KOLOA BEACH, Koloa, HI

This is a leasehold property. A partial ocean-view unit at Kiahuna Plantation at this price point is a rare find. Unit #67 is a top-floor condominium in a small four-unit building, offering a unique level of privacy with its own dedicated stairwell—meaning no shared foot traffic and a private landing at the entry.

Owned by the same family since 1988, this property is now ready for its next chapter. The view captures the iconic Twin Bridges, the expansive green lawns, and the ocean beyond. While the unit benefits from excellent airflow, the AC provides comfort for those still days when the trade winds ease.

The one-bedroom layout features a king-size bed, and as part of Kiahuna Plantation, the unit offers the flexibility of vacation rental income when not in use. As the only condominium complex on Kauai's South Shore located directly on a swimmable beach, Kiahuna Plantation provides unparalleled access to the ocean, along with nearby shopping, dining, and outdoor activities.

Currently active in a vacation rental program, with showings available during guest stays. Ready to take a tour? Copy and Paste this link into a new browser window; <https://bit.ly/3FHZ6G2>
