PALI NAMAHAHA SUBDIVISION, Kilauea, HI

Set above one of Kauai's most iconic stretches of coastline, this 1.3-acre property offers private, deeded access to coveted Secret Beach via a scenic footpath. Built just 10 years ago and meticulously maintained by its original owner, the 2,000 sqft residence is tucked into a lush botanical landscape with ocean views and a focus on indoor/outdoor living. Sapele wood flooring runs throughout, with tile and stone finishes in the bathrooms. A sculptural Sapele wood and glass floating staircase anchors the two-story layout. Upstairs, the main living space opens to an expansive lanai with sweeping ocean and sunset views. Multiple sliding doors and well-placed windows bring in natural light and steady trade winds, blending the interior spaces with the surrounding gardens. The home is fully air-conditioned and equipped with a whole-house water purification system, electric tankless water heater, and a 14-panel owned photovoltaic system. Additional highlights include a dedicated dance or exercise room, a tropical outdoor shower off the half bath, and copper gutters and trim. Infrastructure is in place to support future additions, including underground electrical for a potential pool. An attached garage and carport offer ample storage for all the gear needed to enjoy Kauai's outdoor lifestyle. Select custom furnishings are included, and concept plans are available to expand the residence into a 3-bedroom, 3.5-bath estate. A private, well-executed retreat in one of the

North Shore’s most sought-after locations—just minutes from Kilauea town, the historic lighthouse, world-class golf in Princeville, and a collection of Kauai’s finest beaches.
