Modern Island Living with Mountain Views in Kapa'a

Located just minutes from Kealia Beach & Kapa'a town, this thoughtfully updated three-bedroom, two-bathroom home blends clean, modern design with natural beauty.
With sweeping views of Nounou (Sleeping Giant) mountain & mature mango & lychee trees, this home offers both style & a seamless indoor-outdoor flow.

The approximately 1300 sq ft interior features a designer feel, with curated details that make the space feel both elevated & comfortable. Quartz countertops, repurposed DeWil cabinetry, & floating wood shelves give the kitchen a clean, minimalist look, while Daltile tile flooring, new vinyl windows & recessed dimmable lighting create a calming backdrop & customizable ambiance throughout.

The screened-in lanai with generous storage allows for lush outdoor views. A lava rock retaining wall adds to the home's curb appeal, & the setting feels private, surrounded by greenery.

Both bathrooms are custom designed with spa-like touches. The primary suite features a natural stone shower with a rain shower head, while the guest bath includes a bathtub - perfect for relaxed evenings at home.

Sustainable features like a leased Sunrun solar system & Tesla Powerwall batteries support reduced, dependable energy costs & resilience during power outages.

This home offers a sense of being tucked away, while still being close to town, schools, a hospital & beaches,

Start each morning with a slow coffee & mountain views, & enjoy a thoughtfully curated space that supports the flow of everyday Kaua'i life.
