

\$11,000,000 - 5111 Weke Rd, Hanalei

MLS® #723689

\$11,000,000

4 Bedroom, 4.00 Bathroom, 3,335 sqft

Residential on 0.17 Acres

HANALEI, Hanalei, HI

Welcome to one of the premier ocean-view residences on Hanalei Bay—an expansive, newly reimagined retreat that blends timeless craftsmanship with modern luxury. Perfectly positioned along coveted Weke Road in the Hanalei Palms neighborhood, this 4-bedroom, 3.5-bath home offers rare space, style, and forever-protected ocean views. Just steps from the sand and across from a County park with year-round lifeguards, the property enjoys a prime location on Hanalei Bay. Once the site of the historic Deverill Hotel in the 1800s and held by the same family for over 40 years, the estate underwent a complete high-end renovation in 2024.

Expansive Fleetwood doors open to sweeping 360° views of Hanalei Bay, cascading waterfalls, and emerald mountain peaks. Indoor and outdoor living flow seamlessly, with soaring ceilings, abundant natural light, and a generous lanai ideal for sunset gatherings and al fresco dining. The open-concept chef's kitchen features white quartz counters, walnut cabinetry, and an environmentally friendly Bosch induction range. Two primary suites offer spa-like baths, walk-in closets, and private lanais with stunning ocean and mountain views. With nearly 5,800 sq. ft. of living space—and the option for an additional 1,000 sq. ft. of improvements including a pool—this property provides both elegance and future flexibility.

Built with fire-resistant stucco and designed to last, the home also includes a two-car garage, laundry

room, and outdoor shower. A rock wall encloses the lush grounds, featuring a tropical food forest with avocado, papaya, banana, dragon fruit, and a Valencia orange tree. Additional upgrades include a 120-gallon solar hot water system and an advanced wastewater system. Just minutes from Hanalei’s world-famous beach, farmers market, restaurants, shops, and school, this fully furnished estate is offered by a motivated seller—ready for its next chapter.

Built in 1980
