MLS® #377652

\$350,000

Bedroom, Bathroom,
Land on 7.15 Acres

N/A, Hana, HI

Surrounded by State Forest Reserve, this Kuleana Land Commission Award provides unparalleled privacy. The land is between Honolewa Stream and Kanahuali'i Falls, below the Kings Trail and above Wailua Falls. The property is situated on a bluff and was used for growing taro during the 1800s and cattle grazing into the 1950s. While the Sellers used helicopter access, it is currently approximately a 1.5 hour hike from the Hana Highway. Trail improvements would cut that time in half. There is no existing vehicle access although in discussion the neighboring property owner has been receptive to an easement. Views include mountain, ocean, waterfalls and the Big Island of Hawaii. If your vision self-reliant, self-sufficient and self-sustaining, this may be the property meant for you.
